

FAMILIES AND FRIENDS SERVICE

Part of the Drug & Alcohol WellBeing Service across the City of Westminster, the Royal Borough of Kensington and Chelsea and the London Borough of Hammersmith & Fulham.

The Friends and Family team offers free and confidential support to people who have been affected by someone else's drinking and/or drug use.

The Family and Friends team is part of the Drug & Alcohol Wellbeing Service run by Blenheim and Turning Point, two well established local providers who between us have decades of experience of providing services in the area.

Our service helps family members, carers, partners or friends to regain control over their own life, whether or not the drug or alcohol user is also receiving help.

We operate from various sites across the City of Westminster, the Royal Borough of Kensington and Chelsea and the Borough of Hammersmith & Fulham including:
