Dietary Requirements

We cannot guarantee any of our food is suitable for those with allergies due to a high risk of contamination in our multi ingredient kitchen. While we make every effort to prevent cross contamination in our kitchen we cannot guarantee that food items we make /prepare are FREE of any specific allergen.

For customers with serious allergies it is very important to recognise that our food will not be suitable to consume. If you need to know more please get in touch with our Team who will be happy to help and advise.

For the following dietary requirements as above we offer an individual bespoke sandwich/roll or boxed salad as an alternative to meet specific diets. These can be personalised with name labels if appropriate.
